

## **Newsletter of the Utah State Library for the Blind and Disabled**

**Number 80a**

**Summer, 2008**

**This newsletter is available in Braille, on cassette, or via email by contacting the library, or on the Utah State Library Division website at [http://blindlibrary.utah.gov/about\\_the\\_service/see\\_note\\_newsletter/index.html](http://blindlibrary.utah.gov/about_the_service/see_note_newsletter/index.html)**

On Friday – Sunday and after hours other days, patrons may still contact the library by voice mail or email ([blind@utah.gov](mailto:blind@utah.gov)). The library's website and online catalog are available for information and for ordering materials anytime.

### **New Library Hours**

Beginning Monday, August 4, 2008, the library will be open Monday – Thursday from 7 am - 6 pm. The library will be open 2 hours more each Monday – Thursday, but closed Fridays. This 4-day, 10 hour work week has been mandated by Utah's governor as a one-year pilot project intended primarily to reduce costs by saving energy.

**By providing information in the See Note, the Utah State Library Division, Program for the Blind and Disabled, does not endorse any product, service, organization, or company mentioned herein.**

## **Volunteer Corner**

Governor Huntsman's initiative, "Working 4 Utah," will require that the library be closed on Fridays. What does this mean to you as a volunteer? If you currently volunteer on a Friday, you will be requested to change your schedule and volunteer on a different day to accommodate the new schedule.

If you volunteer Monday through Thursday you may possibly see a change in your assignment to handle the new compressed work week. For instance, if you are a Radio Reader and you read your program typically on a Thursday afternoon, you may be asked to read your assignment on a different afternoon. We will be making the request to make a recording room available for other Radio Reading programs that will be broadcast on Thursday.

The library truly appreciates the efforts of its volunteers, and asks for your patience as we try to plan and schedule for the new hours of operation.

James Shulfer, Volunteer Coordinator, will visit with each volunteer individually to discuss the new work schedule and how this may impact you specifically.

## **Calendar**

Thurs., July 24, Pioneer Day  
Mon., September 1, Labor Day

"Ain't no man can avoid being born average, but there ain't no man got to be common."

"Don't look back. Something might be gaining on you."  
Satchel Paige

## **Digital Books and Digital Book Machines**

By the end of this year the library should have some digital books and some of the new digital book machines available to play them. Initially the quantities will be very limited.

This year's approved budget request for the Library of Congress includes money that ensures that the transition from cassettes to the new digital books can be accomplished in a three-year period of time rather than the projected six years.

### **Attention Veterans**

By law the library must give priority in the assignment of the new machines to veterans. Initially the library is taking the names of those who would like a digital book player from veterans only. If you are a veteran and you would like a digital machine, please indicate this on the Reader Response Sheet (page 5 of this newsletter). You may also call or email ([blind@utah.gov](mailto:blind@utah.gov)) the

library to request a digital machine. Thank you, veterans.

### **See Note by email**

The library is now offering the option of receiving this newsletter via email. If you would like to receive the See Note a couple of weeks prior to the print copy, please check the Reader Response Sheet (page 5 of this newsletter) and write your email address on the line provided. You may also email the library ([blind@utah.gov](mailto:blind@utah.gov)) to request this item.

## **Utah Parents of Blind Children**

The Utah Parents of Blind and Visually Impaired Children (UPOBC) is an organization which intends to “Advocate, Educate, and Empower parents of blind and visually impaired children on their Rights, Roles, and Responsibilities.” The group, a division of the National Federation of the Blind, is currently planning a Parent’s Seminar for the Fall, as well as other activities. If you are a parent and have questions concerning your child’s IEP, transition plan, employment options, etc., this group has parent advocates and blind mentors who are willing to help.
